Name: _____ Date: _____

We have just read the story, Tomas and the Library Lady. In the story, Tomas has a life much different than the one you are used to. Would you like to live like Tomas instead of the way you live? Please respond to this question by summarizing the story, and then answering the question and use specific examples from the book. Use quotation marks to show the exact words from the book that show your point of view and the page it's on.
